

### Optional Damage Waivers for Drive Experiences

These optional damage waivers can be selected when customers drive vehicles owned or operated by The Bend Motorsport Park.

Below is an extract from The Bend Waiver which participants must sign prior to the activity, provided for information purposes.

**(Liability)** I indemnify The Bend from and against any and all damage that I cause to any equipment and/or facilities (including without limitation The Bend's vehicles, track, curbs, tyre walls and verges) in connection with the Activity and my attendance at the venue. In addition to any liability for damaged caused by me to the facility and/or equipment, where I drive a vehicle or vehicles owned or leased by The Bend as part of the Activity, I will be liable for any damage I cause to the vehicle/s up to the value of \$50,000. I may decrease my liability as follows:

	Vehicle Damage Waiver Fee	Maximum liability
Option 1	\$0	\$50,000
Option 2	\$25	\$20,000
Option 3	\$99	\$10,000
Option 4	\$199	\$5,000
Option 5	\$299	\$1,000

If I have selected and paid for Vehicle Damage Waiver Option 2,3,4 or 5 prior to the commencement of the Activity, my maximum liability for loss or damage caused by me to vehicle/s used in the Activity will be limited to the amount set out next to that option under the heading "Maximum liability" in the above table. This limitation does not constitute insurance and the Damage Waiver Fee is not refundable if no damage is caused. If I choose not to pay a Vehicle Damage Waiver Fee, I may be liable up to the amount of \$50,000.
