SA MOTOR RACING CHAMPIONSHIP

2024 Competitor Guide

Welcome to the South Australian Motor Racing Championship

The SA Motor Racing Championship is the format for welcoming the best state, national and international level categories looking to utilise the world class facilities at the Shell V-Power Motorsport Park.

In conjunction with the Sporting Car Club of South Australia, The Bend will ensure category managers, competitors and extended family and friends are looked after from the entry process to the conclusion of the race meeting.

With precise calendar decisions and the versatility to support different formats and utilise various circuit layouts 'SAMRC' will deliver what is best for the categories involved.

There is a reason we were able to expertly accommodate Lamborghini Super Trofeo Asia and FIA Formula 4 and we look forward to welcoming you to The Bend.

Championship Categories

Circuit Excel SA

A single-make series based around the popular Hyundai Excel X3, Circuit Excel is the entry point into Motorsport for many competitors. Large fields and close knit, competitive racing is a signature of the category which will feature at six events in the 2024 SA Motor Racing Championship.

Improved Production SA

Based on a production road car with reasonable modifications to engines, brakes and suspension, Improved Production (IPRA) has proven to be a popular category for both motorsport novice and experienced competitors. IPRA races in many states throughout Australia, with South Australian competitors taking part in five events as part of the 2024 SA Motor Racing Championship.

Sports Sedans

One of the most dynamic and exciting motor racing categories in the country, Sports Sedans are all about serious horsepower. Built and raced by a dedicated group of devotees chasing the ultimate in power to weight performance, Sports Sedans are some of the fastest cars tin top cars in SA and will showcase their speed at five events throughout 2024.

Prototypes

Prototypes are South Australia's premier thoroughbred Sportscar racing series, featuring some of the most exotic and technologically advanced open and closed cockpit prototypes found anywhere in the world. SA Prototypes embrace diversity with a wide array of vehicle designs and concepts converging to provide exciting racing.

Championship Categories

Production Sports Cars

Motorsport Australia 2A, 2B and 2F Sportscars of greatly varied marques, pedigree, and state of tune; from near standard street legal, to highly modified fire breathing GT3 monsters capable of lap times approaching those of Supercars. ProdSports will compete at four 2024 SA Motor Racing Championship events including an Endurance race on 4-5 May.

Aussie Racing Cars

Aussie Racing Cars combine the very best of established racing technology in a superbly engineered package that gives them amazing performance despite their diminutive size! The SAMRC is the first State Championship to feature Aussie Racing Cars with four events across 2024.

HQ Holdens

HQ Holden's is a single-make series based on the ever-popular HQ Holden, 202, 3 speed, 4 door sedan with front disc brakes as produced by GMH between 1971 and 1974. HQ Holden Racing is the definitive entry level category for saloon car racing in Australia, providing the opportunity to enjoy close racing and develop race craft at an affordable price.

Saloon Cars

Saloon Cars features Ford vs. Holden 6-cylinder family sedans making for affordable and reliable motorsport that competitors with limited mechanical knowledge can build maintain in their home garage with basic tools. A mainstay of the SA Motor Racing Championship, they feature at four events in 2024.

Formula Vee

Celebrating almost 60 years of competition, Formula Vee survives into 2024 as part of the SA Motor Racing Championship. Based on the original 1200cc or 1600cc air cooled VW engine, 4-speed gearbox and VW front and rear suspension, Vee's will compete across four events in season 2024.

Trophy and Invited Categories

Formula 4 Australia

Formula 4 Australia certified by FIA is the first step for aspiring young drivers in their pathway to Formula 1. The series entered an exciting new phase in 2024 courtesy of a partnership between China's Top Speed and Shell V-Power Motorsport Park to house the Championship in its return to Australia.

Lamborghini Super Trofeo

The Lamborghini Super Trofeo is the one-make championship organized by Lamborghini Squadra Corse. The series involves exclusively Huracán Super Trofeo Evo model cars in 3 continental series: Europe, Asia, and North America. The three continental series all have a common format: 6 double races, each 50 minutes long, on the world's most prestigious circuits, completed by a World Final that decrees the Lamborghini world champions.

MG Racing

MG celebrates its centenary in 2024 with the new MG Racing SA Series taking part in 5 events across the SA Motor Racing Championship. Open to all models of MG from the classics to modern variants, together with Invited British vehicles.

SA Tin Tops

SA Tin Tops is open to all Motorsport Australia logbooked Category 2A, 2B and 2F together with Category 3 vehicles. Featuring everything from V8 Utes to BMW E30's, Pulsars and 944 Challenge cars, SA Tin Tops is the perfect way for competitors who own a vehicle not catered for in the SA Motor Racing Championship to race at The Bend!

Classic Sports and Open Wheel

Classic Sports and Open Wheel racing cars from yesteryear for the young at heart! A mainstay of South Australian racing for over 50 years, these rolling examples of SA motorsport history feature at four events throughout 2024.

THE BEND

Inspired by some of the world's most iconic race circuits, The Bend's motor racing circuit is Australia's only circuit to comply with the latest FIA Grade 2 and FIM Category A standards.

The Bend combines technical corners, fast flowing sections and an aggregate rise and fall of 85 metres to ensure exciting racing and an enjoyable driving experience.

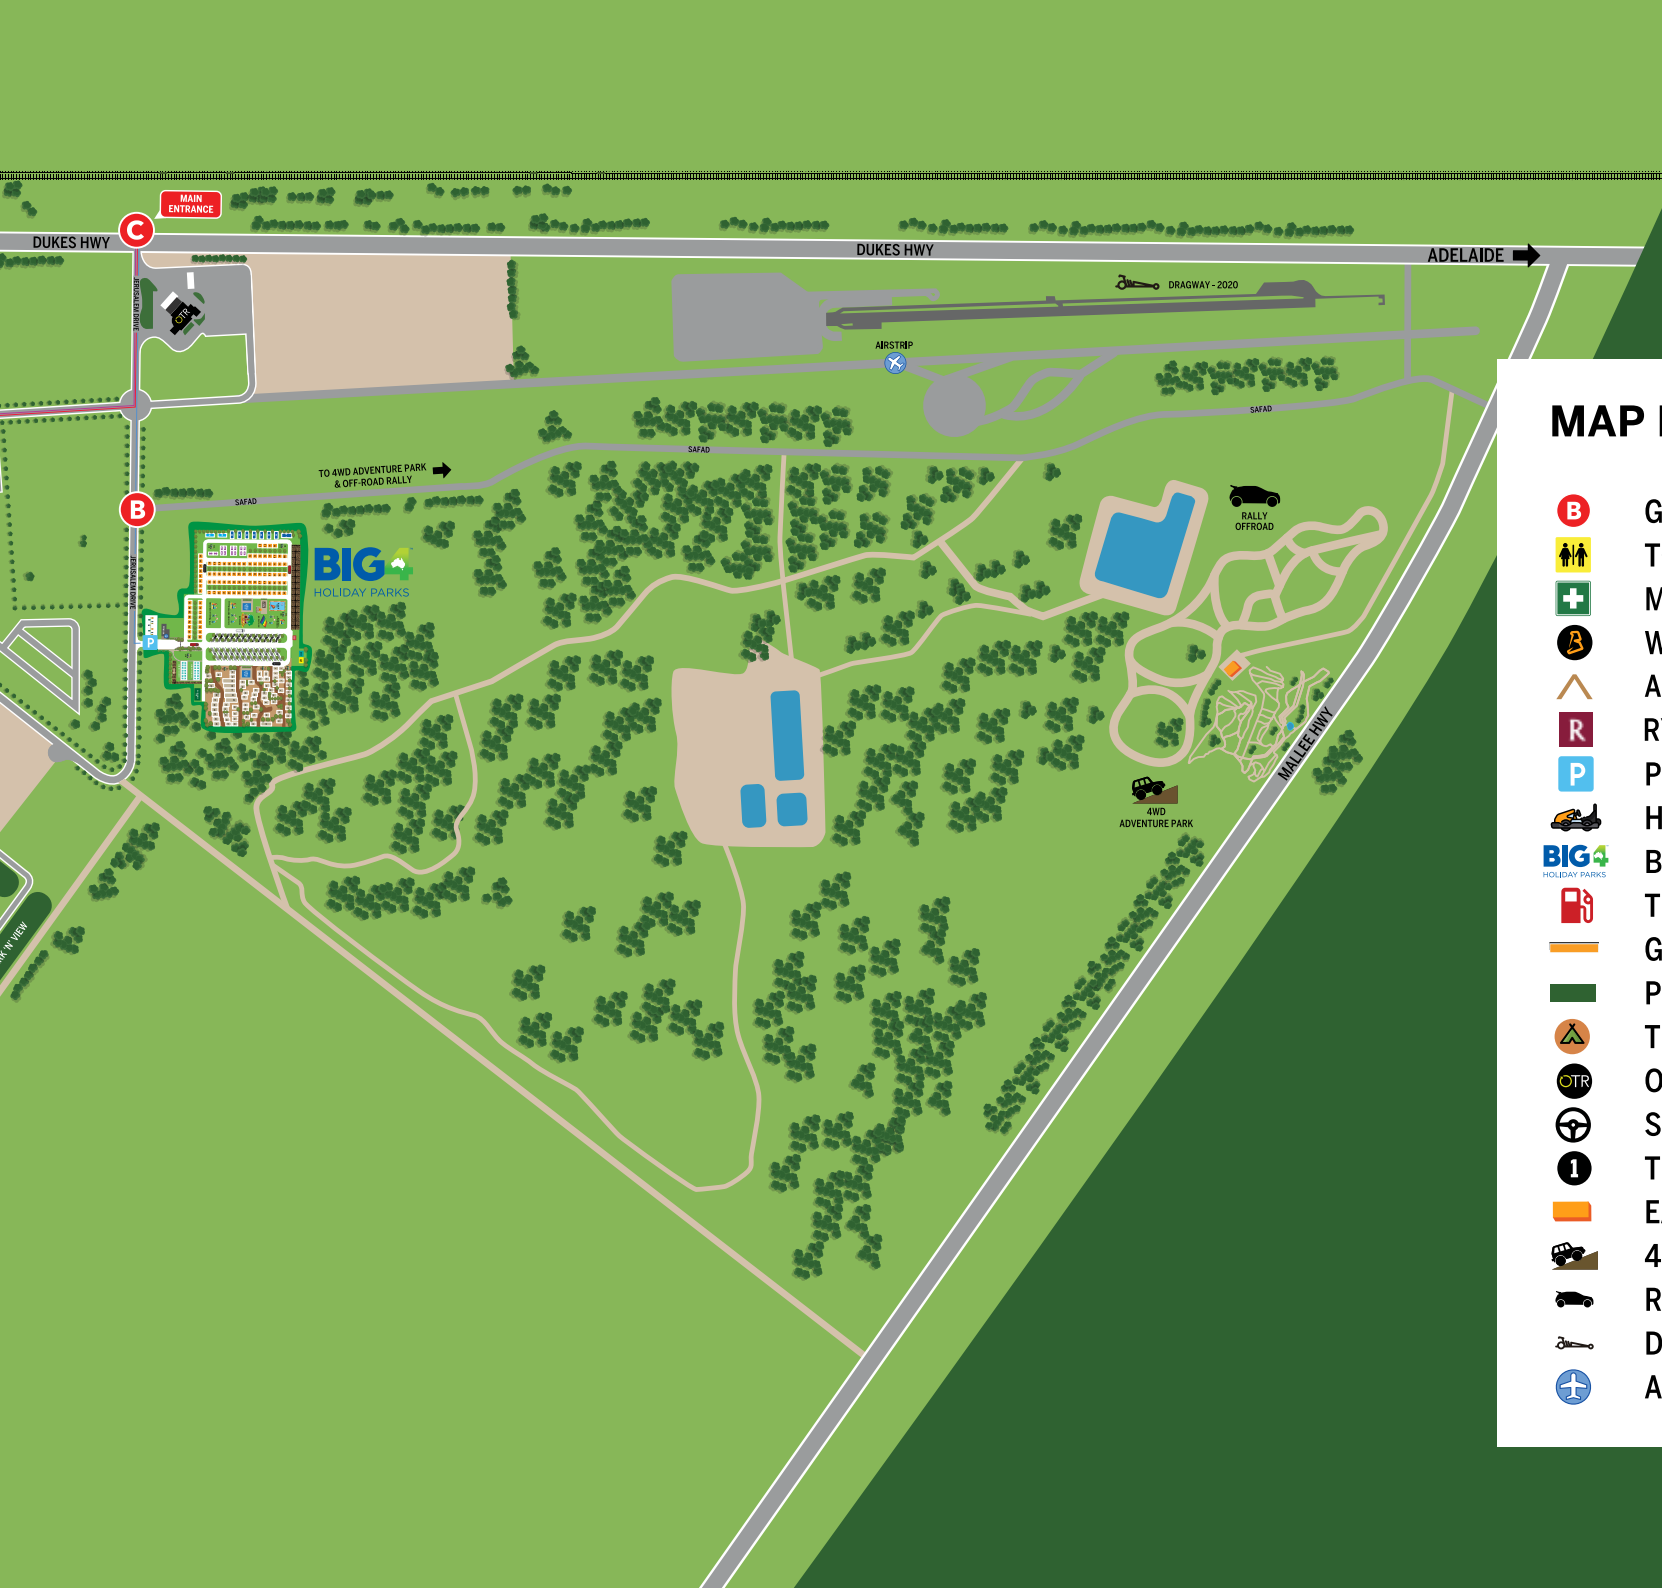

Everything Through One Gate

The Shell-V Power Motorsport Park is one of the most significant developments in Australian motorsport history. A state of the art, world-class motorsport facility, The Bend will deliver an exhilarating experience for competitors, enthusiasts and spectators alike.

We hope you enjoy it as much as we've enjoyed creating it.
