

Karting Championship at the OTR SuperSprint.

Terms and Conditions

Introduction

The OTR SuperSprint Karting Championship (**The Championship**) will be hosted by The Bend Motorsport Park Pty Ltd (**TBMP**) at the Kartdrome at The Bend Motorsport Park (**The Bend**) on Saturday 19 August (**Championship Day**) from 10am to noon.

The Championship is open to the top 10 Qualifiers for 'Arrive & Drive' session bookings at Mallala and The Bend in the months of June and July 2023. There will also be 4 Wildcards available for nomination by The Bend. Acceptance or rejection of any wildcard entry is at the full discretion of TBMP.

Any lap times set during a group package booking (ie GP package) are excluded from this promotion.

These rules, terms and conditions apply in addition to The Bend and Mallala Motorsport Park's standard terms and conditions for hire karts.

You accept and agree to these terms and conditions by participating in any Arrive & Drive session at The Bend or Mallala during June and July, and/or participating in the Championship on the Championship Day. If you do not agree to these terms and conditions, you can opt out of participation prior to your Arrive & Drive session (including on the day of your session) or prior to the Championship Day

Qualification

To earn your spot in the Championship you must register in the Top 10 fastest lap times at either Mallala or the Kartdrome at The Bend during the months of June and July 2023.

To register your lap time, you must have booked and raced at either Mallala or the Kartdrome at The Bend between Thursday 1 June 2023 and the last day being 31 July 2023.

Any participant can race either track as many times as they wish but only the top 10 fastest times at each track during the designated period will qualify for the Championship. The Lap recording system will only show top 10 unique fastest times, meaning any driver will only appear once in the top 10 even if they have multiple top 10 fastest times.

If a driver sets a top 10 fastest time at either circuit, the slower of the times relevant to the circuit will be excluded – for example, if a driver sets the 4th fastest time at The Bend and a 7th fastest time at Mallala their entry will be based on the higher ranking time, in this example The Bend fastest time would stand as their entry into the Championship. All session lap times are displayed on TV's in the reception area at both Mallala and The Bend automatically after the session is completed.

Each person who qualifies for the Championship will be provided with the opportunity to race at the Championship, receive free entry into the Championship, free GA entry to the OTR SuperSprint on Saturday 19 August and receive a merchandise pack. Each person who qualifies will receive one additional complimentary ticket as part of their support crew. Additional family and friends will be required to purchase a ticket through www.outix.com to attend the Championship. This is because the Championships is part of the overall OTR SuperSprint event.

Qualifying times will only qualify if they are achieved in 'Arrive & Drive' session bookings on Weekdays (at Mallala Kartdrome customers are able to qualify across the entire week). Any lap times set during a group package booking (ie GP package) are excluded from this promotion.

Customers may participate in as many 'Arrive & Drive' sessions as they like, based on circuit availability and subject to usual booking requirements.

Minimum age of 14 applies, as well as minimum height of 138cm. Tandem and Junior Karts are not included in this promotion.
